

## **Vegan Coconut milk tapioca**

Can be made in crockpot, instapot, or on the stove top

1/2 cup tapioca peals

1 can light coconut milk

1 cup of water

1/2 tsp vanilla

If desired: coconut flakes, golden raisins, a couple of cardamom pods, and or cashews

Place all ingredients together. If using a crock pot or instapot, turn on and allow to cook until tapioca is soft. If using the stove top, add ingredients to a pot and simmer stirring carefully until tapioca is soft.

Can be enjoyed warm or allowed to cool and enjoyed cooled.
